Day 3
Wednesday, July 22

10:20-11:50 Symposium 1 Room 1 (Main Hall)

ICM: Twinning Projects
Chairs:
Mary Kirk
Director of Nursing and Midwifery, Board of Australia, Australia; Asia Pacific Region Board Member, The International Confederation of Midwives
Nester T. Moyo
Senior Midwifery Advisor, The International Confederation of Midwives

SY1-1 Twinning Relationships with Vietnam Midwives Association
Hatsumi Taniguchi
Midwifery & Maternal Newborn Nursing, Division of Nursing Sciences, Department of Health Sciences, Faculty of Medical Sciences, Kyusyu University, Fukuoka, Japan

SY1-2 Twinning Program Between Vietnam and Japan
Phan Thi Hanh
Vietnamese Association of Midwives, Vietnam

SY1-3 Twinning to Build Midwifery Capacity: Lessons Learned and Strategies for the Future
Caroline S.E. Homer
President, Australian College of Midwives, Australia

SY1-4 Tupela Midwives: Twinning of the Papua New Guinea Midwifery Society and the Australian College of Midwives
Linda Tano
Obstetrics and Gynaecology Unit, Eastern Highlands Provincial Hospital, Papua New Guinea
Jennifer Pyakalyia
Vice President, Papua New Guinea Midwifery Society, Papua New Guinea

SY1-5 Special Presentation: Twinning as a Tool for Strengthening Midwives Associations
Nester T. Moyo
Senior Midwifery Advisor, The International Confederation of Midwives
LS4  The Role of Pregnancy Hotlines in Raising Every Child in a Family Environment: Focusing on Prevention of Infant Abuse Death, Support for Birth Parents, and the Possibility of Special Adoption  
Yukiko Tajiri  
*Special Adviser of Study-Life Kumamoto, Adviser of Yurai Midwifery Home, Ex-Director of Jikei Hospital Nursing Department, Japan*

Commentator:  
Sakumi Akao  
*Midwife, Adoption Project Coordinator, Social Welfare Team, Social Innovation Program Division, THE NIPPON FOUNDATION, Japan*

13:10-14:40 Symposium 2  
Support of Mothers and Children in Preparation for Disasters  
Chairs:  
Naoko Nakane  
*Japanese Red Cross Medical Center, Tokyo, Japan*  
Yukari Igarashi  
*St. Luke’s International University Women’s Health & Midwifery, Tokyo, Japan*

**SY2-1 Lessons Learned for the Future Following the Christchurch, New Zealand Earthquakes**  
Norma Campbell  
*Midwifery Advisor, New Zealand College of Midwives, New Zealand*

**SY2-2 The Role of the Midwife During Disasters**  
Corazon L. Paras  
*Integrated Midwives Association of the Philippines (IMAP), Inc., Manila, Philippines*

**SY2-3 Support for Mothers and Children in Communities During a Disaster**  
Yukie Masaka  
*Ishinomaki Red Cross Hospital, Miyagi, Japan*

**SY2-4 Recommendations on the Basis of the Experience of the Great East Japan Earthquake for Supporting Mothers and Children**  
Katsuyu Yagihashi  
*Director of Nursing, Suzuki Memorial Hospital, Miyagi, Japan*
14:50-15:20  Special Lecture 3  Room 1 (Main Hall)

Chair:
Ikumi Nakaita
Japanese Nursing Association, Tokyo, Japan

SL3  Investing in Midwives and Nurses for Economic Growth and Empowerment of Women
Akiko Maeda
Health, Nutrition and Population Global Practice of the World Bank

15:30-16:00  Closing Ceremony  Room 1 (Main Hall)

9:00-9:50  English Oral Presentation 13  Room 2 (311+312)

**Community Health 1**

Chair:
Yoko Chiba
Faculty of Nursing, Shiga University of Medical Science, Japan

EO13-1  Quality of Maternal Health Care in Indonesia: Barriers and Interventions for Improvement in Primary Health Care
Hanifatur Rosyidah
Midwifery, Sultan Agung Islamic University (UNISSULA), Indonesia

EO13-2  Understanding Safety Culture in Midwifery Care by Village Midwives at Rural Area
Istri Bartini
Academic, Akademi Kebidanan Yogyakarta, Indonesia

EO13-3  Public Health Improvement in Sangke District Yogyakarta Indonesia Through Community Midwifery
Retno H. Setyorini
Yogyakarta Midwifery Academi, Ikatan Bidan Indonesia, Indonesia

EO13-4  Obesity in Adolescents: Where Should We Begin?
Muhammad Kamil Bin Che Hasan
Medical Surgical Nursing, Kulliyyah of Nursing International Islamic University, Malaysia

EO13-5  The Management of Rural Health Units: Maternity and Birthing Centers in Pangasinan, Philippines
Louie M. Fernandez
College of Midwifery, Mindanao Medical Foundation College, Philippines
**Intrapartum Care 2**

Chair:
Kyoko Fukushima  
*School of Nursing, University of Shizuoka, Japan*

**EO14-1**  
Women's Reasons for, and Experiences of, Choosing a Homebirth Following a Caesarean Section  
Hazel S. Keedle  
*School of Nursing and Midwifery, University of Western Sydney, Australia*

**EO14-2**  
Evaluation of A Decision Aid Program for Women Choosing Method of Birth After Previous Cesarean in Japan  
Ikuyo Torigoe  
*Department of Women’s Health Nursing and Midwifery, Fukuoka Prefectural University, Japan*

**EO14-3**  
Is the Painless Childbirth with Epidural Anesthesia Comfortable?  
Ayako Hayashi  
*Human Health Sciences, Kyoto University Graduate School of Medicine, Japan; Daigo Watanabe Clinic*

**EO14-4**  
When ‘No’ Means ‘No’: Supporting Women’s Rights to Informed Consent and Refusal  
Bec Jenkinson  
*School of Nursing and Midwifery, The University of Queensland, Australia; Mater Research Institute*

**EO14-5**  
Using Health Information Technology to Transform Pregnancy Decision Support for Women Choosing Birth After Cesarean  
Allison G. Shorten  
*School of Nursing, Yale University, USA*

**EO14-6**  
Repeat Cesarean Delivery: Decision-Making Processes in Taiwanese Women Who Have Had a Primary Cesarean Delivery  
Shu Wen Chen  
*School of Nursing & Midwifery, Faculty of Health, Deakin University, Taiwan; Chang Gung University of Science and Technology, Department of Nursing*

---

**Global Health 5**

Chair:
Yae Yoshino  
*School of Nursing, Kitasato University, Japan*

**EO15-1**  
Maternal Death Surveillance and Review: “No Name, No Blame” – The Critical Role of Midwives  
Fran McConville  
*Maternal, Newborn, Child and Adolescent Health, World Health Organisation, Switzerland*
EO15-2 Ending Preventable Maternal and Newborn Deaths (EPMND) in the Post 2015 Era: Update on the New Global Strategy and Why Midwifery Is Central to This Approach
Fran McConville
Maternal, Newborn, Child and Adolescent Health, World Health Organisation, Switzerland

EO15-3 What Are the New Global Research Priorities for Midwives and Midwifery Services, and How Did We Get There?
Sachiyo Yoshida
Maternal, Newborn Child and Adolescent Health, World Health Organisation, Switzerland

EO15-4 Midwives’ Intrapartum Monitoring Process and Management Resulting in Emergency Referrals in Tanzania: A Qualitative Study
Kana Shimoda
Doctoral Course, St. Luke’s International University Graduate School, Japan

13:10-14:10 English Oral Presentation 16 Room 2 (311+312)

Midwifery Education 3
Chair:
Katsuko Shinozaki
Graduate School of Health and Welfare Sciences, International University of Health and Welfare, Japan

EO16-1 Longitudinal Study of Graduate Midwives in Papua New Guinea
Alison G. Moores
Who Collaborating Centre, Faculty of Health, University of Technology, Sydney, Australia

EO16-2 Is Empowerment a Trickle-Down Effect of the Afghanistan Midwifery Education Program
Fatima Gohar
Afghan Midwives Association, Pakistan

EO16-3 International Partnerships for Midwifery Education of Complementary and Alternative Therapies
Bernadette Leiser
Maternity Reflexology Consortium, Australia

EO16-4 Integrated Postpartum Care Learning Model Implementation to Create Competent Midwife to Meet the Need of Postpartum Women in Indonesia
Setiya Hartiningtiyaswati
Surabaya High School of Health (Stikes Surabaya), Indonesia

EO16-5 The Effect of Integrated Family Planning Care Learning Model to Improve Cognitif, Affective and Psychomotor Scores of Third Diploma of Midwifery
Fitra Duhita
Health Information and Services, Gadjah Mada University, Indonesia

EO16-6 The Practice Project: Teaching Midwives: A Visual Ethnography of How Midwifery Teachers Learn How to Teach Practical Midwifery
Aíne M. Alam
Royal College of Midwives, NHS and Middlesex University London, United Kingdom
Community Health 2
Chair:
Hiromi Eto
Nagasaki University Graduate School of Biomedical Sciences, Japan

**EO17-1**
China Policies Development in Midwifery During the Modern Times
Xiu Zhu
School of Nursing, Peking University, China

**EO17-2**
Strengthen Midwifery to Save Lives and Promote Health of Women and Newborns: A Review of UNFPA Projects from 2011–2015 in China
Hong Lu
Peking University School of Nursing, China

**EO17-3**
A Light of Hope in Sindh, Pakistan
Syfoor Bibi Khan
Maternal, Neonatal and Child Health Programme Sindh, and Midwifery Association of Pakistan, Pakistan

**EO17-4**
Community Midwives Experiences Resulting from Business Skills Training in Sindh and Punjab, Pakistan
Shahnaz Shahid Ali
School of Nursing and Midwifery, Aga Khan University School of Nursing and Midwifery, Pakistan

**EO17-5**
The Effect of Registration Changes to the Maternal & Child Health Services in Australia
Rayleen Breach
RMIT University, Australia

Community Health 3
Chair:
Yasue Ota
Faculty of Health Care and Nursing, Juntendo University, Japan

**EO18-1**
The Lived Experiences and Support Needs of the Postpartum Primiparous Women in Tshwane, South Africa
Mmajapi Tshidi E. Chokwe
Adelaide Tambo School of Nursing Science, Tshwane University of Technology, South Africa

**EO18-2**
Development of Japanese Hug Your Baby: Education Tool for New Parents to Understand Newborns
Yoko Shimpuku
Women’s Health and Midwifery, St. Luke’s International University College of Nursing, Japan

**EO18-3**
Health State and Social Capital of the Postpartum Women
Fumiko Hamawaki
Antenatal and Postnatal Care Center Toho Sarai, Japan
### 10:00-11:00 English Oral Presentation 19

**Room 3 (313+314)**

**Assessment of Client Satisfaction and Adherence on Art Services in Jimma University Specialized Hospital, South West Ethiopia**  
Hone N. Anagaw  
*Nursing, Ethiopian Nursing Association, Ethiopia*

**EO21-4**  
**Midwives Realities: The Evidence on the Socio-Cultural, Economic and Professional Barriers Experienced by Midwives in Providing Quality of Care. What Action Is Needed?**  
Fran McConville  
*Maternal, Newborn, Child and Adolescent Health, World Health Organisation, Switzerland*

**EO21-5**  
**Current Japanese Midwives’ Situation and Circumstances and What We Can Do to Improve Women’s Health and Maternal Care**  
Yoshiko Niino  
*Nursing, Takasaki University of Health and Welfare, Japan*
14:20-15:00  English Oral Presentation 22  Room 3  (313+314)

Community Health 4
Chair:
Yae Yoshino
School of Nursing, Kitasato University, Japan

EO22-1  SBA Evaluation 2014 from Lao PDR
Anna Af Ugglas
UNFPA, Lao People’s Democratic Republic

EO22-2  Moved to Poster EP2–122

EO22-3  Introduction of the Contraceptive Implant in Lao PDR
Anna Af Ugglas
UNFPA, Lao People’s Democratic Republic

EO22-4  Portrayal of National Health Insurance in Indonesia: Experience of Midwives in Two Provinces with High Maternal Mortality Ratio
Nila Kusumawati Ellison
Women Research Institute, Indonesia

EO22-5  Presentation of the First Maternal Death Review Report 2011–2013 in Lao PDR
Anna Af Ugglas
UNFPA, Lao People’s Democratic Republic

9:00-9:40  English Oral Presentation 23  Room 4  (414+415)

Neonatal Care
Chair:
Hiromi Eto
Nagasaki University Graduate School of Biomedical Sciences, Japan

EO23-1  Moved to EO9–5

EO23-2  Kangaroo Mother Care (KMC): WHO Evidence, and Guidance on Implementation
Severin Von Xylander
Maternal, Newborn, Child and Adolescent Health, World Health Organisation, Switzerland

EO23-3  Kangaroo Mother Care Versus Conventional Care in Low Birth Weight Babies: Comparison of Immediate and Delayed Problems Up to 12 Months Age
Alpanamayi Bera
Nursing Training School, District Hospital Howrah, India

EO23-4  Development of Computer Assisted Instruction Program on Physical Examination of the Neonatal by Using English Language for Nursing Students
Wireeporn Chaisetsampun
Faculty of Nursing, Suratthani Rajabhat University, Thailand

EO23-5  Awareness and Prevention of Repetitive Strain Syndromes of the Hand and Wrist During Infant Care
Lourdes R. Herrera Cadillo
Japanese Red Cross Kyushu International College of Nursing, Japan
### 10:00-10:50 English Oral Presentation 24  Room 4  (414+415)

**Postpartum Care 1**

Chair:
Keiko Sugimoto  
*University of Tsukuba Hospital, Japan*

**EO24-1**  
*Exploring Hospital Midwives’ Lived Experiences and Perspective of Supporting Women Postnatally through Telephone Consultation After Discharged from Hospital in Japan*

Mika Kaneda  
*University of Hyogo, Japan*

**EO24-2**  
*What Women Want: A National Audit of Support Provided to Women in the Immediate Postnatal Period*

Ann Burgess  
*Research Centre for Nursing and Midwifery Practice, ACT Health, Australia*

**EO24-3**  
*Current Topics in Midwifery Postpartum Care*

Kana Yokotsuka  
*Yachiyo Maternity Center, Tokyo Midwife Hall, Japan*

**EO24-4**  
*Beliefs and Practices of the Aeta and Kalanguya Tribes During Puerperium*

Juanito C. Leabres  
*College of Nursing and Allied Medical Sciences, Wesleyan University, Philippines*

**EO24-5**  
*Management of Perineal Trauma After Childbirth: A Survey of New Zealand Midwifery Practice*

Robin S. Cronin  
*Graduate School of Nursing, Midwifery and Health, Victoria University of Wellington, New Zealand*

### 11:10-11:50 English Oral Presentation 25  Room 4  (414+415)

**Women’s Health 2**

Chair:
Michiko Oguro  
*St. Luke’s International University, Japan*

**EO25-1**  
*The Effect of Al Quran Murottal on the Primary Dysmenorrhea Pain Intensity of the Students of Madrasah Muallimaat Muhammadiyah Yogyakarta*

Tria Harsiwi Nurul Insani  
*Educator Midwifery Program, Stikes’ Aisyiyah Yogyakarta, Indonesia*

**EO25-2**  
*Knowledge and Awareness About the Association Between Cervical Cancer and Human Papillomavirus Infection Among Japanese Male and Female College Students*

Tokiko Oishi  
*Tokyo Health Care University, Japan*

**EO25-3**  
*Evaluation of the Educational Program by Midwives on Cervical Cancer Screening Provided for Mothers*

Ayako Sasaki  
*Faculty of Nursing, Osaka Medical College, Japan*
Early Detection of Breast Cancer Education Attitude to Self Breast Screening in Yogyakarta Indonesia
Nining T.S. Sunarti
Yogyakarta Midwifery Academy, Ikatan Bidan Indonesia, Indonesia

Perinatal Loss, Prenatal Testing, and Teenage Pregnancy
Chair:
Kana Shimoda
St. Luke’s International University, Japan

Effect of Bereavement Counseling on Psychological Problems Associated with Pregnancy Loss in Women
Christy Simpson
College of Nursing, Christian Institute of Health Sciences and Research, Nagaland University, India

Do Not Ignore Our Voice: First-Time Fathers-to-Be Lived Experiences Regarding Connecting with Their Unborn Babies
Chienhuei Kao
Taiwan Midwives Association, Taiwan

Saying Goodbye to the Newborn: The Unease and Actions of Nursing Professionals in Handling Stillbirth Care
Chien Hui Lin
Department of Nursing, Kang-Ning College of Nursing, and Doctoral Candidate, National Yang-Ming University of Nursing, Taiwan

Women’s Perception and Attitude Regarding Prenatal Testing in Japan
Chihiro Katada
Nursing, Hyogo University of Health Sciences, Japan

Teenage Pregnancy: A Time of Transformative Change
Jenny Kerrison
School of Health Sciences, RMIT University, Australia

As a Mother of Identity Formation Process As a Woman Who Were Pregnant Teens
Maho Tonouchi
Tokyo Sanikukai Hospital, Japan
14:20-15:10  English Oral Presentation 27  Room 4  (414+415)

Breastfeeding
Chair:
Manami Matsubara
Faculty of Nursing, St. Mary’s College, Japan

EO27-1  Predictors of Breastfeeding Intention: A Comparison Among Pregnant Working Women with Different Experience of Breastfeeding Practice
Cicilia Nony
Family and Community Health Nursing, Sint Carolus School of Nursing, Indonesia

EO27-2  Intrapartum/Postpartum Physiological and Psychosocial Factors Related to the Delay of Lactogenesis Stage II
Meeling Gau
Graduate Institute of Nurse-Midwifery, National Taipei University of Nursing and Health Sciences, Taiwan

EO27-3  International Board Certified Lactation Consultants: Advancing Practice
Karolyn Vaughan
IBLCE, Australia; Griffith University

EO27-4  Reducing Painful Nipple Trauma and Associated Breastfeeding Complications
Robyn Thompson
Mater Mothers Midwifery Research Unit, Mater Mothers Hospital for Women, Australia

EO27-5  The Effect of Lactation Consultant Support on Breastfeeding Prevalence After Discharge
Yu Ngai Leung
O&G, Kwong Wah Hospital, Hong Kong

9:00-9:50  English Oral Presentation 28  Room 5  (416+417)

Midwifery Education 4
Chair:
Eriko Shinohara
St. Luke’s International University Graduate School, Japan; Yamamoto Birth Center

EO28-1  Baby Toddler and Preschool Cares Integrating Learning Model Implementation to Develop Midwifery Student Diploma III Competencies
Bayu Irianti
Midwifery Diploma Programe, Widya Dharma Husada Tangerang School of Health Science (Stikes Widya Dharma Husada Tangerang), Indonesia

EO28-2  Approaches to Strengthening Midwifery Educator Capacity in Low and Middle Income Countries
Florence West
Faculty of Health, University of Technology, Sydney, Australia

EO28-3  Applying Rapid Task Analysis in Order to Build a Strong Midwifery in Myanmar
Peter Johnson
Global Learning Nursing and Midwifery, Jhpiego, USA
EO28-4  Regulating Basic and Continuing Midwifery Education in Myanmar  
Phyu Phyu  
*Myanmar Nurse and Midwife Council (MNMC), Myanmar*

EO28-5  Rapid Task Analysis on Three Pillars of Midwifery Strengthening: Education, Practice and Regulation in Myanmar  
Thant Zin  
*Jhpiego–An Affiliates of Johns Hopkins University, Myanmar*

10:00-11:00  English Oral Presentation 29  Room 5  (416+417)

**Midwifery Education 5**

Chair: 
Yoshiko Niino  
*Takasaki University of Health and Welfare, Japan*

EO29-1  Addressing Culture Shock in 1st Year Midwifery Students: Maximising the Initial Clinical Experience  
Allison M. Cummins  
*Faculty of Health, University of Technology, Sydney, Australia*

EO29-2  How Do Student Midwives Transfer Knowledge Learnt in the Online Learning Environment to Role Playing Real Life Scenario?  
Virginia M. Skinner  
*Midwifery–School of Health, Charles Darwin University, Australia*

EO29-3  The Road Towards Establishing Midwifery Education in Nepal  
Zainab Naimy  
*MNCAH, WHO Nepal Country Office, Nepal*

EO29-4  An Evaluation of the Outcomes of the First Baccalaureate Midwifery Programme and Its Graduates in Pakistan  
Arusa Mansoor  
*School of Nursing and Midwifery, Aga Khan University, Pakistan*

EO29-5  The Comparison of Passing Grade Dystocia Skill Between Student of Self-Learning and Peer Learning on the Subject of Midwifery Care Pathology of Midwifery Study Program Stikes Achmad Yani in 2013  
Raden Septriliyana Noucie  
*Midwifery, High School of Science Health Jenderal Achmad Yani Cimahi, Indonesia*

EO29-6  An Analysis of Students’ Ability of Rational Speculation in Professional Midwifery Issues  
Yihui Liao  
*Midwifery, Fooyin University, Taiwan*
Antepartum Care 2
Chair:
Junko Miyazawa
Josai International University, Japan

**EO30-1**  
Ginger Extract Is Better Than Vitamin B6 in Reducing Nausea in the First Trimester of Pregnancy  
Vivian Nanny Lia Dewi  
Midwifery, Stikes A Yani Yogyakarta, Indonesia

**EO30-2**  
Midwifery Partnership Between Midwives and Pregnant Women for Reducing Risk Factors of Preterm Birth  
Peeranan Wisanskoonwong  
Obstetrics and Gynecology Department, Kuakarun Faculty of Nursing, Thailand

**EO30-3**  
An Effective Nursing Intervention for Women with Spontaneous Premature Labor (PTL)  
Chompunut Sopajaree  
School of Nursing, Mae Fah Luang University, Thailand

**EO30-4**  
Midwifery Care for Women at Increased Risk of Preterm Birth in Thailand: A Feminist Action Research  
Peeranan Wisanskoonwong  
Obstetrics and Gynecology Department, Kuakarun Faculty of Nursing, Thailand

Postpartum Care 2
Chair:
Hatsumi Taniguchi  
Midwifery and Maternal Newborn Nursing, Division of Nursing Sciences, Department of Health Sciences, Faculty of Medical Sciences, Kyushu University, Japan

**EO31-1**  
Relationships Between Childbirth Practices and Postpartum Urinary Retention  
Meiling Gau  
Graduate Institute of Nurse–Midwifery, National Taipei University of Nursing and Health Sciences, Taiwan

**EO31-2**  
Efficacy of Acupressure on Preventing Postpartum Urinary Retention: A Randomized Controlled Trial  
Meiling Gau  
Taiwan Midwives Association, Taiwan

**EO31-3**  
Physiological Evaluation of Neck and Shoulder Pain (Katakori in Japanese) in Postpartum Japanese Women  
Keiko Koyasu  
Kansai University of Nursing and Health Sciences, Japan
**E031-4**
The Chronological Change in Muscle Thickness of Quadriceps During Postpartum Period
Yuki Mizuo
Department of Nagasaki University Graduate School of Biomedical Sciences, Health Sciences, Reproductive Health & International Nursing, Japan

**E031-5**
The Effectiveness of Gymnastic Towards Breastfeeding Women Among Involution Uteri (TFU) of Multipara Mothers’ on 1–7 Day of Postpartum at Ciptomulyo Health Center in Malang
Devinda Febrianti Saputri
Bachelor Midwifery, Medical Fakulty of Brawijaya Univercity, Indonesia

**14:20-15:10 English Oral Presentation 32 Room 5 (416+417)**

**Intrapartum Care 4**
Chair:
Tokiko Oishi
Tokyo Healthcare University, Japan

**E032-1**
Kairos at Birth: Insights in and Around Birthing
Susan A. Crowther
Faculty of Health and Environmental Sciences—Midwifery, AUT University, New Zealand

**E032-2**
Pain Relief During Labour: Perspective of Postpartum Mothers in Selected Hospitals in Ibadan, Nigeria
Kehinde F. Akinyemi
Department of Nursing, University of Ibadan, Nigeria

**E032-3**
The Importance of Physical Conditioning and Patience in Natural Birth
Junko Asahina
Independent Midwife, Japan

**E032-4**
Birth Style Equals Lifestyle
Christopher F. Mungioi
Delivered Child at Asahina Midwife Clinic, Japan

**E032-5**
The Oxytocin Symphony
Shea Caplice
Independent Research, Australia

**9:00-10:30 Workshop 5 Room 6 (501)**

Learn the Professional Skills from Japanese Independent Midwives
Chairs:
Yaeko Kataoka
St. Luke’s International University Women’s Health & Midwifery, Tokyo, Japan
Izumi Yokoyama
Maternal and Child Health Center, Aiiku Hospital, Tokyo, Japan

**WSS-1**
Handing Down Expertise Skills for Assistance with Delivery
Utako Yamamoto
Director of Yamamoto Birth Center, Japan; Vice president of Japanese Midwives Association
Following the Path That Pregnant and Nursing Women Showed Me...
Seiko Kamiya
Mizuki Birth Center, Tokyo, Japan

Learn the Professional Skills from Japanese Independent Midwives
Yukako Yajima
Yajima Midwifery Home, Japan

11:00-11:50 English Oral Presentation 33 Room 6 (501)

Women’s Health 3
Chair:
Hiromi Fujii
Kobe City College of Nursing, Japan

Reproductive, Maternal and Neonatal Health Situation Analysis in Eight Cambodian Provinces
Heidi Brown
Coordination and Learning Unit, Partnering to Save Lives, Cambodia

Reproductive, Maternal and Neonatal Health Knowledge, Attitudes and Practices Among Female Garment Factory Workers in Cambodia
Heidi Brown
Coordination and Learning Unit, Partnering to Save Lives, Cambodia

Developing Family Planning Counseling Model Based on Video
Astri Nurdiana
Midwifery Program, Singaperbangsa University Karawang, Indonesia

Satisfaction for Women’s Choice of Maternal Health Services in Indonesia
Yenita Agus
Maternity Nursing, Syarif Hidayatullah State Islamic University, Indonesia

The Antimicrobial Effect of Akar Kucing Leaf Extract (Acalyphus Indica Linn.) Towards Escherichia Coli by In-Vitro
Ida M. Sholiyah
Midwifery, Medical Faculty Brawijaya University, Indonesia

12:00-13:00 Luncheon Seminar 5 Room 6 (501)
Sponsored by TERUMO CORPORATION

Chair:
Kesami Sakaguchi
School of Health Sciences, Shinshu University, Japan

Management of Diabetes in Pregnancy
Keiko Yanagisawa
Diabetes Center, Tokyo Women’s Medical University, Japan
Utilizing the Clinical Ladder of Competencies for Midwifery Practice ~Let’s Learn from the Actual Cases!~

Chairs:
Makiko Haraguchi
Nursing Department of Asahikawa Medical University Hospital, Hokkaido, Japan
Yumiko Miyagawa
Osaka Medical Center and Research Institute for Maternal and Child Health, Osaka, Japan

WS6-1
Introduction of Clinical Ladder of Competencies for Midwifery Practice: The Scheme and Key to Successfully Introduce the Clinical Ladder to Your Medical Institution
Yoko Yasuda
Perinatal Center, Kurashiki Medical Center, Okayama, Japan

WS6-2
Report of the Utilization of “Clinical Ladder of Competencies for Midwifery Practice” at a Maternity Clinic
Yoko Oshiro
Kamiya Mother and Baby’s Clinic, Okinawa, Japan

WS6-3
Utilizing the Clinical Ladder for Competencies for Midwifery Practice
Kazuko Toishi
Maternal and Perinatal Medical Center, Kyorin University Hospital, Tokyo, Japan

WS6-4
Challenging the Clinical Ladder of Competencies for Midwifery Practice by Utilizing Your Portfolio
Kinuko Kubo
Toho University Omori Medical Center, Tokyo, Japan

WS6-5
Improvement of Educational Structures Inside and Outside of Institution on Midwives’ Competence Attainment: Summary of Improving Educational Structures and Actual Ingenuity Through Collaborations
Satomi Murata
Takatsuki General Hospital, Osaka, Japan

Facilitators:
Caroline S.E. Homer
President, Australian College of Midwives, Australia
Pashtoon Zyae
Technical Midwife Advisor, The International Confederation of Midwives

Introduction by Joy Marini (Johnson & Johnson)
Family Life and Sex Education
Chair:
Miki Kaneko
St. Luke’s International Hospital, Japan

JO9-1 Evaluation of the Adolescent Class Carried Out for Primary School Children
Toyoko Osawa
Department of Nursing, Faculty of Community Health, Teikyo Heisei University, Japan

JO9-2 Changes in Children’s Sense of Self-Affirmation After Taking Lessons of Life from
Midwives
Yoshiko Go
Hanawa Kousei Hospital, Japan

JO9-3 Midwives Involving Sex Education Are Motivated by the Reaction from It and
Development of Social Relation
Keiko Imoto
Master Course of Nursing, Kochi Medical School, Japan

JO9-4 Study on Recognition of Roles of Parents As a Family Function in High School Students
Haruka Shimizu
Master Course of Nursing, Kochi University, Japan

JO9-5 The Activity Report for 17 Years on the Life Education by Midwives: Just Being Alive
Deserves the Perfect
Seiko Suzuki
Gunma Midwives’ Association, Japan

JO9-6 An Empirical Investigation of the Puerperal Women in the Family Planning Clinic in the
Public Hospital of Granada Prefecture, Nicaragua: Focus on the Pregnancy in Adolescence
Hiroe Sutoh
Obstetric and Gynecology, Kamiya Maternity and Child Clinic, Japan

12:00-13:30 CLoCMiP Seminar
Room 7 (502)
Sponsored by NIPRO CORPORATION

Chair:
Yoshiko Shimamori
President, Tokyo Nursing Association, Japan

CMS Optimal management for induction of labor with medications
Akihito Nakai
Professor, Department of Obstetrics and Gynecology, Tama-Nagayama Hospital, Nippon Medical
School, Japan
### Workshop 8

**13:50-15:20**

**Updating the Global Agenda on Women’s, Children’s and Adolescents’ Health: The Global Strategy and the Global Financing Facility**

Chair:
Nester T. Moyo  
*Senior Midwifery Advisor, The International Confederation of Midwives*

**WS8-1**

**The Global Strategy for Women’s, Children’s and Adolescents’ Health: Updated Strategy and Post-2015 Development**

Frances Day-Stirk  
*President, The International Confederation of Midwives*

**WS8-2**

**The Global Financing Facility: Financing for Women’s, Children’s and Adolescents’ Health**

Fumie Saito  
*Regional Coordinator, Partnership for Maternal, Newborn, and Child Health (PMNCH)*

### Japanese Oral Presentation 10

**9:00-9:50**

**Community Health 1**

Chair:
Narumi Doeda  
*Department of Nursing, Faculty of Human Sciences, Sophia University, Japan*

**JO10-1**

**Effectiveness of the Warabe-uta Baby Massage: Synergetic Effect of the Japanese Traditional Nursery Rhyme and the Baby Massage Originated from the U.K.**

Akemi Okuda  
*Akane Midwifery Center, Japan*

**JO10-2**

**Construction of the Concept Frame About the Coping in the Poor Physical Condition of Woman Bringing Up Children Under Three Years Old**

Misato Kaso  
*Kansai University of Health Sciences, Japan*

**JO10-3**

**The Current Situation and Issues of Crisis Pregnancy Hotlines in Japan: Securing the Right Services for Pregnant Women and Their Babies**

Sakumi Akao  
*Social Welfare Team Domestic Program Department, The Nippon Foundation, Japan*

**JO10-4**

**Function and Influence Factors of Peer Support During Breastfeeding**

Chie Aizawa  
*College of Nursing Art & Science, University of Hyogo, Japan*

**JO10-5**

**Sex Education to Intellectual Disabilities Students As Midwife**

Mariko Kawaguchi  
*Japanese Midwives Association, Japan*
10:00-11:00  Japanese Oral Presentation 11  Room 8 (503)

**Parenting Support**
Chair:
Kukiko Ogawa  
*Department of Nursing, Tokyo Women’s Medical University, Japan*

**JO11-1**  
Pregnancy and Child Care in Teen Years Old Mothers: Told through the Life Stories of the Women Themselves  
Chiaki Shirai  
*Shizuoka University, Japan*

**JO11-2**  
Comparison of the Acquisition of the Technique of Bathing a Newborn Baby Between Experienced Nurses and Primiparas and Their Families  
Yuko Shinchi  
*Department of Midwifery, Fukuoka Nursing and Midwifery School, National Hospital Organization Kyushu Medical Center, Japan*

**JO11-3**  
Research of the Importance of Physical Contact in Infancy  
Rie Ohuchi  
*All Nippon Esthetic Association, Japan*

**JO11-4**  
The Current Situation of Child-Caring Couples at Three Years After the Great East Japan Earthquake  
Mai Hiwatashi  
*Maternal Nursing, Tohoku University Graduate School of Medicine, Japan*

**JO11-5**  
The Effect of the Lecture on Support for Father’s Childcare  
Miki Yoneyama  
*School of Medicine, Shinshu University, Japan*

**JO11-6**  
Improving the Motivation and Job Condition Among the Aged Women Who Were Affected by the Great East Japan Earthquake: Developing the Breastfeed Support Materials  
Ikue Kitahara  
*Knitting Breast Model Project, Japan*

11:10-11:50  English Oral Presentation 34  Room 8 (503)

**Women’s Health 4**
Chair:
Sachiko Kita  
*Department of Women’s Health/ Family Nursing, Division of Health Science and Medicine, Graduate School of Medicine, The University of Tokyo, Japan*

**EO34-1**  
Knowledge of Women’s Rights: Urban Rural Perspective  
Geeta B. Parwanda  
*Faculty of Nursing, Swami Vivekanand Subharti University, India*

**EO34-2**  
Family Planning Job Aids and Resources from the World Health Organization: Handy Resources to Improve Patient Care  
Monica V. Dragoman  
*World Health Organization, Switzerland*
EO34-3 Safe Abortion: WHO Technical and Policy Guidance for Midwives
Ronnie Johnson
Reproductive Health Research, World Health Organisation, Switzerland

EO34-4 Implementation of a Healthy Lifestyle Pre Conceptual Program
Linda K. Jones
RMIT University, Australia

12:00-13:00 Luncheon Seminar 6 Room 8 (503)

Sponsored by TOYO FEATHER INDUSTRY CO., LTD.

Chair:
Naomi Kato
Shonan University of Medical Sciences, Japan

LS6 For hair, nail and hand care ~ The effects of keratin protein ~
Yuichi Tsuda
TOYO FEATHER INDUSTRY CO., LTD., Japan

13:10-14:00 English Oral Presentation 35 Room 8 (503)

Women’s Health 5
Chair:
Naomi Kano
Department of Nursing, Ibaraki Prefectural University of Health Sciences, Japan

EO35-1 Contraceptive Options for Postpartum Women: The Latest Recommendations from the World Health Organization (WHO)
Mary E. Gaffield
Department of Reproductive Health and Research, World Health Organization, Switzerland

EO35-2 Contraception for Adolescents: The Latest Evidence-Based Recommendations from the World Health Organization (WHO)
Caron R. Kim
Department of Reproductive Health and Research, World Health Organization, Switzerland

EO35-3 Do Women 4 Months Postpartum Get Adequate Sleep?
Megumi Fujita
Faculty of Medicine, School of Nursing, Yamagata University, Japan

EO35-4 Relationship Between Pregnancy Load to the Pelvic Floor and Stress Urinary Incontinence Within 5 Years After Childbirth: A Cross-Sectional Study
Mariko Minatani
Department of Midwifery and Women’s Health, School of Health Science and Nursing Graduate School of Medicine, Japan

EO35-5 Study of Remote Guidance Using a Mobile Phone Having TV Function in Women with Urinary Incontinence in Collaboration with Public Health Nurses
Nobuko Ohi
Graduate School of Health Sciences, Okayama University, Japan
Community Health 2
Chair:
Tomomi Yamamoto
International Catholic Hospital, Japan

JO12-1  Number of Midwifery and Hospital of Each Year Within the Last Five Years
(From 2009 to 2014)
Reika Suzuki
Department for Establishment and Operation of Maternity Homes, Kanagawa Midwives
Association, Japan

JO12-2  Evaluation of the Support System for “Tokutei-Ninpu” in Japan (I)
Importance of the Multidisciplinary Approach and Cooperation Among Medical
Institutions and Regional Health Organizations
Ikumi Nakaita
Japanese Nursing Association, Japan

JO12-3  Evaluation of the Support System for “Tokutei-Ninpu” in Japan (II)
Function of Midwife in A Hospital to Carry on the Role of Child-Care Into Regional Health
Organization
Akemi Takahashi
East 4th Ward, Department of Nursing, National Defense Medical College Hospital, Japan

JO12-4  Cooperation with Local Health Care Staff of Pregnant Women with Psychological and
Social Risk Factors Obstetrics Medical Treatment Initiatives of Midwife
Miho Kawamura
Nursing Department Obstetrics and Gynecology, Kochi Medical School Hospital, Japan

JO12-5  Selection and Concentration of Delivery Units Increased Anxiety Among Pregnant Women
in Japanese Rural Areas
Kanae Hatano
Prefectual University of Hiroshima, Graduate School of Comprehensive Scientific Research, Japan
Evaluation of the Simulation-based Education for Midwifery Students through Continuing Case Studies: Student Response to the Training Course Focused on Pregnancy Period
Tomoko Imamura
Ehime Prefectural University of Health Sciences, Japan

An Educational Infrastructure to Promote Conceptual Understanding of Study During Antenatal Examination Clinical Practice Sessions for Midwifery Students in a Masters Degree Program
Megumi Matsuoka
School of Health Sciences, Kyorin University, Japan

A Nine-Year Study Into the Nature and Extent of Skills Relevant to Perineal Protection Acquired by Midwifery Undergraduates
Miyuki Ishimura
Faculty of Nursing, Fukuoka Prefectural University, Japan

Learning of Midwifery Students from Continued Care During Labor and Puerperal Period
Yoko Hayakari
Hirosaki University Graduate School of Health Sciences, Japan

Improvement of a Training Course for Beginner Midwives
Chika Tsurushima
Okayama University Hospital, Japan

Workshop on Develop a Spirit of Self-Sufficiency for Midwives Learning Skills from Practicing Midwives in the Community
Yuki Ooyo
Midwives Occupation Committee, Nursing Society of Hiroshima, Japan

Evaluation of Antenatal Midwifery Care Program for Low-Risk Pregnancy
Yoshimi Nagasawa
University of Yamanashi Hospital, Japan

Effect of Midwives’ Level of Autonomy on Their Provision of Breast-Feeding Support
Naoko Minehara
Sasebo City General Hospital, Japan

Survey on Awareness of Midwifery Education Program Students Regarding the Assisted Reproductive Technology
Makiko Tateno
Midwifery Courses, Kumamoto Health Science University, Japan

Simulation Program of Postpartum Hemorrhage for Midwives: Evaluation from Providers
Yukari Igarashi
Faculty of Nursing, Women’s Health and Midwifery, St. Luke’s International University, Japan

UV Care Status and the Risk for Vitamin D Deficiency of Nursing Students
Nobuko Takaoka
Dokkyo Medical University, Japan
